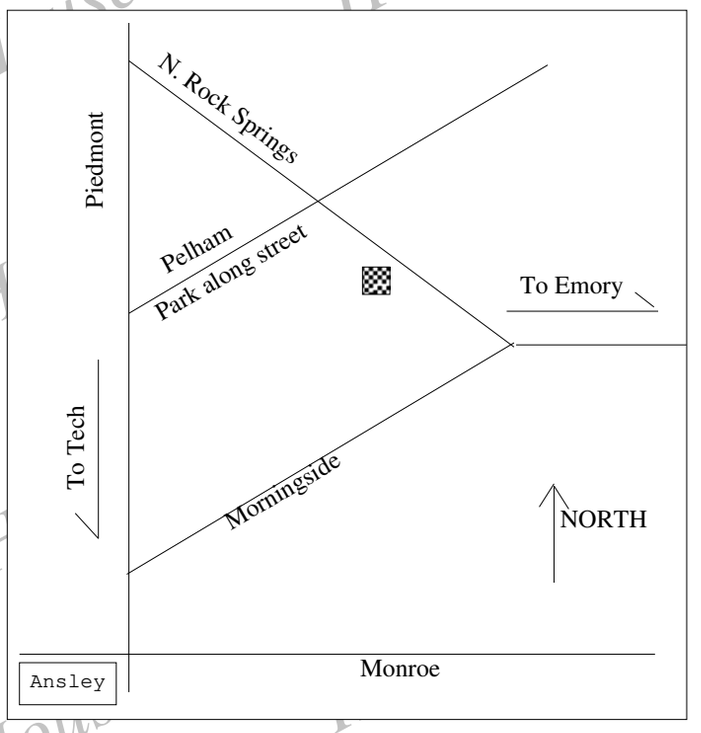
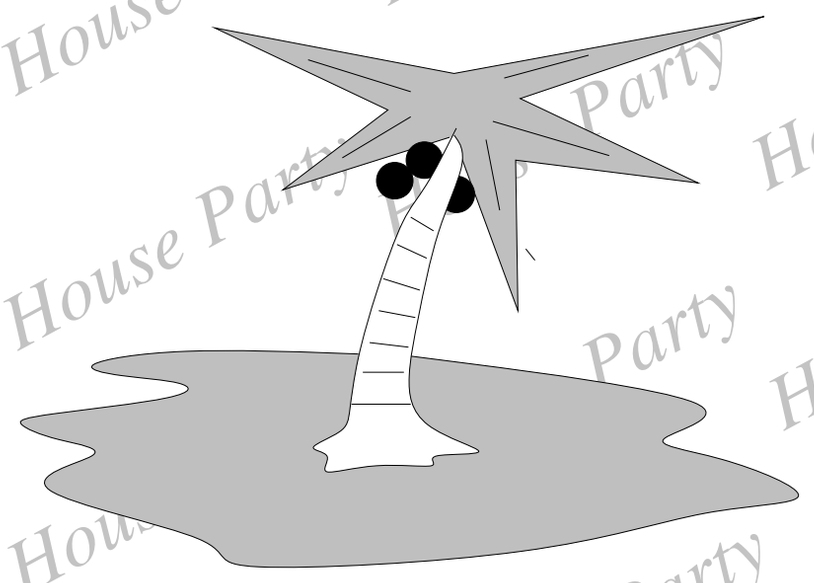
*Other Particulars*

Parking can be a problem. Your best bet is to park on Pelham on the street, and walk around the corner to the house.

Our house is a duplex. If you're facing the front of the building, our side is the one on the left. But the neighbors have been warned and should be able to point you in the right direction if you get confused.

Any other questions? Give a call at 607–1323.





*See Everyone Friday Evening!*
