Conference Paper Reviewing

Match-up to the PC

Two entities:

    Submitted papers (~200)

    Program Committee members (~50)

- Each paper has a set of key words (5 out of 100)
- Each person declares expertise on the set of keywords
- "Match score" between each person and paper
- Each person bids on papers:

    Want, Willing, Don't want, Conflict, No vote

- Papers are assigned to people
